Scope and Content Note

Series (I): Photographs – This collection consist of many group pictures including class and graduation photographs predominately from the 1940s and early 1950s. Other photographs include reunion snapshots taken in 1992, pictures of theater productions, band photographs as well as a panorama photograph showing the exterior of the original P.S. 98 building.

Series (II): Documents – Material from this series includes commencement programs, class publications, a theatre production program and several issues of *The Douglaston*; a publication produced by the students and presented at graduation ceremonies.

Series (III): Other Media – This group of material pertains to P.S. 98 reunions organized as the *Douglaston Connection*. Included here is a scrapbook containing commencement programs, copies of class, graduation and sports team photographs as well as correspondence from alumni of P.S. 98.
