August 10, 2020

We are pleased to announce to our membership that the Douglaston and Little Neck Historical Society recently received a matching "challenge" grant from the Pomeroy Fund for NYS History.

Please help us in meeting this challenge! For every two dollars that the DLNHS raises, the Pomeroy Fund will grant one dollar up to a maximum of \$1,000. If each DLNHS member donates **\$20**, we will more than meet the match.

These much-needed grant funds will help us meet our goal of developing new outdoor and virtual programs so that participants can enjoy learning about the history and preservation of our local Douglaston and Little Neck communities while staying safe and healthy.

Your \$20 donation will help us raise a total of \$3,000 to help cover program expenses during these difficult times. If we raise more than \$3,000, there is a possibility that the Pomeroy Fund will increase their gift, so your contribution could potentially go much farther. All donations, of any amount, are welcome and will count towards our match goal if received by September 30, 2020.

You can donate safely and securely from our website at www.dlnhs.org/donate or make a check payable to DLNHS and mail to us at the address listed above. Please add **Pomeroy Matching** in the description on the website or memo on your check.

If you have any questions, please contact our Executive Director, Susan Mathisen at dlnhistoricalsociety@gmail.com.

Thank you in advance for considering a gift that will allow us to continue our mission of preserving the historical character of the Douglaston and Little Neck communities through education and community action.

On behalf of all of us at the DLNHS, we wish you the best and for your family to remain healthy and safe.

Pamela Broderick
President
