

December 1, 2022. Douglaston, NY. On Saturday, December 10th, the Douglaston Local Development Corporation will host its 5th Annual Douglaston Village Winter Festival.

The free, outdoor community event will be held at the Douglaston Station Plaza, next to the LIRR station at 235th & 41st Avenue on Saturday, December 10th from 12 pm - 3 pm.

Thanks to the generous support of our City Council Member Vickie Paladino and the New York City Department of Transportation, the Douglaston LDC is excited to offer the community another day to gather at our local Plaza and celebrate the holiday season. There will be local organizations participating, such as the Douglas Manor Environmental Organization, the Douglaston Little Neck Historical Society, Udalls Cove Preservation Committee, Kiwanis Club of Douglaston, local area Churches, Schools, and local vendors selling holiday gifts.

There will be a DJ spinning holiday music, free activities for the children in the village square to get families and friends in a festive spirit. There will be a magician, balloon animals, arts & crafts, games, contests and much more. For further details, please visit: www.dougldc.org or www.facebook.com/DouglastonLDC

The Douglaston Local Development Corporation (DLDC) is a not-for-profit organization formed in 2009 by Douglaston residents, merchants and other stakeholders to preserve and protect the unique historical and aesthetic qualities of the Douglaston Village commercial district.
